SPONSORSHIP OPPORTUNITY

The 2018 Fort McMurray Knights season is just around the corner! As you may already know, the Knights program is a member of the Wood Buffalo Minor Football League. Our participation in the league has been a lot of fun for our players and has provided them with a great level of competition.

The Fort McMurray Knights Minor Football Association strives to keep costs low so families are not faced to choose which child plays a sport. Your sponsorship will help defer costs and keep player participation fees reasonable. All levels, PEE WEE, JUNIOR VARSITY and SENIOR VARSITY, are in need of equipment upgrades and uniform improvements. We were able to complete several projects last season, but were unable to complete them all. It is very expensive and generous donations from key sponsors will allow us to maintain the level of excellence and safety we strive for with our student athletes. Additionally, your support of our young players through the Fort McMurray Knights Minor Football Association will help them become the best players they so strongly strive to be.

Since our Association is a registered non-profit organization, your donation can be appropriately accounted for.

Feel free to contact us if you have any questions. Your prompt response and support is truly appreciated as we begin to address equipment recertification and purchase necessary supplies for the upcoming season. Please make checks payable to The Fort McMurray Knights Minor Football Association.

Your support of our program, pride in our city and Knights Knation and the success of Wood Buffalo youth is greatly appreciated.
